Em
Stormtroupers in the middle of a riot.
Rebels fighting trying to save their lives
All believing: the force will be with you
but the blasters leaves them dying in the aisle.
B A
There is a feel it's around so dark and true
G D
he is coming near, you can't escape that fear

Am7 D
Black Helmet hides a little boy smile
Am7 F C
Black Helmet and that dark Jedi style
Am7 D
A new religion that'll bring you to your knees
C7 B Em
Black Helmet if you please

Em
For the Jedi, this force is like a heat wave
Dark lightning bound to drive you wild
All is changing, a new order's coming
A moon is rising like a menace in the sky
B A
The way he moved, he could reach everything
G D
always wanting more, what is he fighting for?

Am7 D
Black Helmet hides a little boy smile
Am7 F C
Black Helmet and that dark Jedi style
Am7 D
A new religion that'll bring you to your knees
C7 B Em
Black Helmet if you please

Am B7 Em
Every word of every order he gives is for you
Am F C
In a flash he was gone it happened so soon
B7 Em
What will he do?

Am7 D
Black Helmet hides a little boy smile
Am7 F C
Black Helmet and that dark Jedi style

Am7 D
A new religion that'll bring you to your knees
C7 B Em
Black Helmet if you please

Am7 D
Black Helmet hides a little boy smile
Am7 F C
Black Helmet and that dark Jedi style
Am7 D
A new religion that'll bring you to your knees
C7 B Em
Black Helmet if you please
