1. Pain from pearls, hey little bird
Am Em7 Am Em7
How far have you flown?
Am Em7 Am Em7
Pain from pearls, hey little bird
Am Em7 Am
Flowers for the eggs you've known

G D C D Em D
Are you on fire from the years? What would you give
Em Em Cmaj7 D11 Em Em Cmaj7 D11
For your pig fears?

Am Em7 Am Em7
2. Secret temple, running high
Am Em7 Am Em7
They have a hiding place
Am Em7 Am Em7
Secret temple, running low
Am Em7 Am
You know the eggs are inside

G D C D Em D
(ah-ah) Are you on fire from the years? What would you give
Em Em Cmaj7 D11 Em Em Cmaj7 D11
For your pig fears?

3. Flipping birds, we know the price now,
Am Em7 Am Em7
Any death will do -
Am Em7 Am Em7
How much further if you can spin,
Am Em7 Am
How much if you are doomed?

G N.C. C D
Are you on fire? (Are you on fire) from the years?
Em D Em
(From the years) What would you give for your pig fears?

(What would replace the rent with the danger above,
C D
Replace the ice, the ice with Jim, Jack and Jay,
C
Replace the anger with the red, the eggs, the eggs, the eggs
D
The eggs that you love, oh, the eggs that you

love) Are you on fire oh-oh-oh oh
Em D Em C D
What would you give for your pig fears? Oh,
G D C D
